Read the resolution of the Board dated the 11th March 1890 to the effect that the extra charge proposed is not necessary.

Resolution – As the Assistant Surgeon says that there is no Compounder, that the work is now done by the peon of the Hospital to the detriment of his legitimate duties, Members Messrs. Venkatachar, Ramdassappa, Soogappa Shetty, Appanna Shetty, Syed Davood Sahib and Abdul Azeez Sahib are of opinion that the Compounder asked for should be given, while Members Messrs. Sawday and Virooverigada Moodliar think that the work may be managed with the present establishment as hitherto or if a Compounder be necessary one may be sanctioned from Imperial Funds the Municipal Funds being limited. The majority being of opinion that a Compounder should be given, resolved to issue a recommendation to Government in this behalf.
